AD AGENCY EXECS...

The **Editor & Publisher International Year Book** is the most comprehensive single source for newspaper facts, figures, and personnel data.

To order your copy... use the bind-in card in Section IV.

The time machine

Are viewers using the Time Machine to zap your advertising?

Not if it's in newspapers. Newspaper readers regard ads as news about the marketplace—what's for sale, where, and for how much. 60% of readers "look forward" to the advertising in their newspapers—more than say that about advertising in TV, magazines, radio and mail combined.*

Newspaper readers look forward to ads... they don't fast forward past them.
